

SB42 Side Event

Increasing Transparency and Open Data for REDD+ Applications

June 9th, 2015

18:00 – 20:00

Dinner and drinks provided

Kunstmuseum Bonn

Friedrich-Ebert-Allee 2, 53113

(5-10 minute walk from the SB42 venue)

This open conversation about the upcoming GFW Climate platform will combine input and reflection from policymakers, investors, technicians, researchers, and civil society – all of which are invited to join the **GFW Climate Advisory Panel**.

Join us for brief presentations from Nancy Harris (WRI), Fred Stolle (WRI), Craig Mills (Vizzuality), and a discussion reception to follow.

For more information, email smann@wri.org
